Subject: HIGH PROFILE REPORT - NOTIFICATION 22.11.2011

Dear All

All High Profile FOIA requests - particularly those from journalists - continue to be of interest to DPA. The DPA receives a list of HIGH PROFILE requests that are of MEDIA INTEREST on a weekly basis. If it is thought an FOIA request will require press lines, a press officer will contact you at an early stage. As such there is no longer a requirement for you to contact DPA and forward the request for sight as a matter of course. If, however, you feel a request is generating issues which could result in media coverage and you have not already been contacted by DPA please contact Ed Stearns, Chief Press Officer, or Mike McGill.

Please note that you have FOIA cases that were placed on this week's High Profile report.

For details on your specific request(s), please open the attached spreadsheet:

Kind regards

Peter Deja
